

# PEDIATRIC SUBSPECIALIST REFERRAL LIST

## About the Referral Process

Many insurance plans require primary care physicians to authorize referrals to specialists. We provide referrals ONLY after evaluating the clinical complaint. It is your responsibility to ensure that the specialist you choose to seek care from is covered by your insurance provider. When making an appointment, please confirm this information. Please let us know if any of the below numbers or names is outdated by contacting us at: [info@advancedpediatrics.com](mailto:info@advancedpediatrics.com)
